

# Nayoro Shell Pants Men

The Nayoro Shell pants features a well-calibrated design featuring Tenson's proprietary MPC technology - the MPC Extreme™. The pants are wind and waterproof and has a subtle utility look that includes well thought of details, textures and functionality. They are created with our triple-layer MPC Extreme Shell fabric that comes with a 10.000mm waterproof rating, taped seams, water repellent zips and snow locks at the ankles. The waist and ankle cuffs are fully adjustable to ensure they stay in place even under extreme conditions, and they also come with adjustable suspenders. Features two zippered front and back pockets for easy access. The Nayoro shell pants are designed to fully match the Tenson Nayoro shell ski jacket.
